

**Lüllemäe, Southern Estonia  
July 09.-11. 2010**

OC Ilves welcomes you in the 32<sup>nd</sup> traditional midsummer 3-day orienteering-relay in the best terrains of South-Estonia. As last year we will start with great mass start in the first competition day, for all legs together. The result of the day results by summation of the times of three legs.

On the main courses, there are also junior (N21Jun, M21Jun) and senior (N21Vet, M21Vet) groups separately accounted. Besides the main competition, there are Youth Ilves (NM10-14), Senior Ilves (NM51+) and Mini-Ilves competitions.

## **INFO**

The SPORTIDENT electronic punching system will be used. Each team must have three SI-cards. SI is used also in Mini-Ilves and open courses.

**Start.** The competitors must clear and check the SI-card while entering the start area. Both actions are confirmed by a visible / or audible signal will be given. In emergency the new SI-card will be given by the officials. Rent of the SI-card is 25 EEK per day. The competitors of the 1st leg must be in the start area at least **5 minutes** before the start, the competitors of the 2nd and 3rd leg should enter the start area with enough time to clear and check the SI-card. The competitors must pass K-control after they start. Starting with the wrong SI-card will result in disqualification.

**Punching at the controls,** by placing the SI-card into the hole on top of the control unit, the competitor will get a confirming visible and/or audible signal from the electronic control unit confirming the registration. The competitor is responsible for punching at the correct control. If the punch did not register the competitor must use the manual punch in the R-

boxes on the map, R1, R2, R3 or into the edge of the map on lack of the reserve boxes. A lost SI-card will result in disqualification.

## **FINISH**

The leg finish-punching will be done at the finish line. After the finish punch the information from the SI-card will be read out. Those competitors who have used a manual punch must inform the finish officials. The rented SI-cards must be returned to a finish official as soon as they have been emptied on the last competition day. The list of split times will be given to each competitor. Competitors are responsible for checking that the SI-card is correctly emptied.

## **Retirals**

People who retires must go through the finish or inform the finish officials.

**Control time.** A team gets a result if all members of the team finish before the closing of finish. The results of the competitors of the 2nd and 3rd legs started from mass start for no started will be added to the result of the team.

**Results.** Each competitor gets a result list with the finish and split times, leaving finish area. Provisional results will be displayed in the event centre during the competition. The official results will be presented on the next day, the official results of the 3rd day will be available at the end of the competition. The official results will be published on the OC Ilves home page <http://www.okilves.ee/ilvesteade>.

## **Numbers**

All competitors must wear the official numbers at the start (not folded). Numbers will be available at the event centre. In case of need, a new number bib may be obtained for 10 EEK.

## **Runners**

If in any team run more than 4 members during Ilvesteade then the team will be disqualified.

A competitor can run in several teams (in the basis of substitute member).

A competitor cannot run more than one leg per day.

The competitors who have participated in several rewarded teams will be awarded a prize only by the best result.

## **Parking**
