MN8NR, MN9NR, MN10TR, MN12TR – 1:7 500 on both competition days.
In all other cases – 1:10 000.

NB! On 26.09 in the class N40 the map scale is also 1:15000.

Terrain and map

The competition takes place in the Otepää Uplands near the Elva river headwaters. Height difference on the terrain is 45 meters. The terrain is rather varied. The kame field consists of depressions, hills and small swamps in between them next to a swampterrain with dry-land protrusions. There is a dense

network of roads and narrow rides although nature is starting to reclaim the smaller tracks. Runnability in the forest varies from very good to medium.
